## Inclement Weather Threatens Plans of Sunday Schools for Annual Procession.

ALEXANDRIA, Oct. 17.—On account of the threatening weather, the big Sunday school parade scheduled to commence this afternoon at 3 o'clock may be postponed until next Sunday, although the three rallies to be held in three of the churches at 4:30 o'clock will be held despite the weather conditions. A meeting of the superintendents of all the Sunday schools with the officers of the Alexandria Sunday School Association was held this morning, and after considering the prospects of unfair weather, it was determined to withhold a definite decision as to the parade until 2:15 o'clock this afternoon. All of the children have been notified to be in their Sunday school rooms at this hour. If the parade is postponed the smaller children will be dismissed and the larger ones will proceed to the churches where the rallies are to be held.

# TODAY'S BEAUTY AIDS

To clear up and whiten the skin and secure that charm of pink and white youthful freshness so much desired by all women you will find it far safer to rely upon a good face lotion rather than powder. To get rid of that shiny and muddy appearance in your complexion, dissolve four ounces of spumax in one-half pint hot water, and add two teaspoonfuls glycerin. Apply this to your face, neck and arms, rubbing gently until dry. This lotion does not show or rub off like powder and is much better. It is splendid for removing tan, freckles, pimples and sallowness.

You can make a delightful shampoo for a very trifling cost if you get from your druggist a package of canthox and dissolve a teaspoonful in a cup of hot water. Pour a little at a time on the scalp and rub briskly. This creates an abundance of thick, white lather that thoroughly dissolves and removes all dandruff, excess oil and dirt. After rinsing, the hair dries quickly, with a softness that makes it seem heavier than it is, and takes on a rich luster and a softness that makes arranging it a pleasure.—Advt.
